

Adult Resource Survey

Your Lodge is asking every adult Arrowman to complete this survey. Your lodge will be only as good as the quality of the coaching and mentoring our youth Arrowmen receive from their advisors. This survey will be used to match advisors with Lodge officers, chapter officers and committees. Please complete this survey with a view to its purpose. Thank you for taking your time to make Uh-To-Yeh-Hut-Tee Lodge the best that it can be. Please use reverse, if you would like to add any helpful information.
