YEAR PASS POLICY CHANGES

For the past several years, Timuquan Lodge has offered the opportunity to pay for all four Lodge weekends (three conclaves and one fellowship) plus annual dues and the annual back patch from the patch series. The big change is that the annual back patch will **NO LONGER BE INCLUDED** in the fee.

While this is a convenient way to pre-register for all scheduled Lodge weekends, we find that about half of our year pass members do not join us. This translates into purchase of extra supplies which are not used in anticipation of hosting our brothers.

All year pass members will receive an e-mail in advance of the scheduled weekend asking you to respond if you will not attend. Please reply at your earliest opportunity so we can properly prepare to host the weekend.

Patches for all year pass members shall be saved for one weekend beyond the weekend for which they were issued. Then, they will revert to the Lodge Box for general sale. If you want your patch mailed, please contact the Lodge Secretary or Secretary Adviser to arrange postage and to verify mailing address.

2010 Section Seminars

I would like to thank everyone who participated in Section Seminars on November 5-7. We had 300 brothers from the section and 82 were from Timuquan. Thanks to the seminars committee and everyone who helped out, the weekend was a huge success!

Yours in Cheerful Service,
Marty Shermetaro
2010 Section Seminars Chairman

OA HELPS WITH TIGER GROWL

By: Kelli Cliff

Tiger Growl took place on Saturday, October 9th from 7 am to 3 pm. For the great and wonderful staff, the day started before the break of dawn at 6:30 am. A fun-filled day was had by all 252 participants and 75 staff members with 6 events including a Water Relay, Tiger Hunt, Toss Across, Monkey Bridge, David & Goliath and the making of a Tiger puppet. Lunch was executed nicely by Jane and John Petruccelli with the assistance of Bob Cliff and all staff members. Fire Station 50 and 51 were on-site for the Tigers to peruse the trucks during lunch. Pinellas County Deputy Cahoon and K-9 Nitro were at closing ceremonies giving a demonstration with help from Mitch Bollenbacher who got a few bites taken out of him. Thank you to all OA members who assisted with the activities, lunch, parking, and registration. There's no way the event would have gone as smoothly as it did without your help. Guess what?? I'm in charge of Tiger Growl again next year!

University of Scouting

By: Delphine Nasr

We had a great day at the University of Scouting on October 16th at Espiritu Santo Catholic School in Safety Harbor. Over 300 Scouts and Scouters attended the event for our 100th year of Scouting as well as our 10th year anniversary of running University of Scouting. The location was great and the facilities were wonderful. Thank you to Brian Jones for getting us the location!

This year we added some merit badges for the youth classes. We had 2 of the historical merit badges being taught; pathfinding and tracking as well as photography, scouting heritage, genealogy, law, and crime prevention.

We had over 50 volunteers helping make this a smooth event. A big thank you the Cabinet members and all their staff for all their help.

We are starting to look for staff to help for next year. If you are interested in helping out, please contact Delphine Nasr at 727-460-8689 or swissgirl@verizon.net.

Arrowmen Provide Camp Service Throughout the Year

By: Taylor Briggs and Mr. John Petruccelli

This past year, Timuquan Lodge 340 has been very busy making our camps a "work of art." The first weekend of service was the January Conclave at Camp Soule. Projects that were completed were the east fence move,

repair of water front fence, dining hall cleaned, cutup felled trees, split and stacked wood in campsites and ground stumps. Due to the cold weather, this was a shortened weekend, but look at how good the lodge did with abbreviated time to finish these projects.

The next service weekend was the March Fellowship at Sand Hill Scout Reservation. The following projects were completed: repaired fencing on SR 50; repaired fencing on range; painted new wood in latrines; built handicap ramp at campsite 5 latrine; spread mulch at COPE course and climbing wall; pulled firewood from "Raid field" and distributed to campsites, smoker and council ring; put up "No Trespassing" signs and de-rooted west fence line; policed campsites for trash and wood debris and took to burn pile.

A couple months later came our June Conclave at Sand Hill Scout Reservation. The projects that were completed were to put up canvas tents and cots; repaired tent platforms; stained cabins 6 – 10; pressure washed pool deck, stone wall at council ring and ramp at Health Lodge; cleaned around outside of Admin building and parking lot area; cleaned front sign area; replaced rubber feet on dining hall tables and benches; performed a maintenance check on the individual coffee makers to be used for summer camp and Section Seminars; spread mulch on perimeter road and climbing wall; and leveled pads at shotgun range.

Not to long after came the September Conclave at Sand Hill Scout Reservation where projects completed were to repair timbers and cleaned front sign area; pressure washed and stained cabins 11 – 15; finished stacking platforms in campsites 2,3,4, and 8; re-positioned parking blocks at rifle range; repaired cots and tents; sprayed weeds at all fence lines; installed new split-rail fence at climbing wall; repaired benches at dance arbor; cleaned up the council ring; and thoroughly cleaned the ladies bathroom at the dining hall.

Our Last Service Weekend of the Year was the October 30th work day at Sand Hill Scout Reservation. Here 30 brothers took charge in these successfully completed projects. We mowed at the council ring, dance arbor, Sertoma house, OA houses and staff center; weeded front sign area; painted latrines in campsites 4 and 6 and the Hagerty shelter; restretched cables at dining hall parking lots; installed cables in posts at Hagerty parking lot and Camm Road corner; cleaned the windows and screens in the dining hall, swept the walls and vacuumed the air returns in the dining hall; and set the tables and chairs for the seminars weekend. The 30 brothers who came together on October 30th gave 180 hours of service, in that one day, to finish preparing SHSR for the Section Seminar.

In conclusion Timuquan Lodge 340 has been very active in making our camps look AWESOME. Thank you for all of your support, my Brothers.
