Lodge Dues

As 2011 comes to an end, it's time to pay your lodge dues. The collection of these dues is vital as we are financially independent from the council. The dues for 2012 are \$15.00 and covers the national fees plus the lodge's administrative costs such as the production and mailing of six publications.

You must maintain a BSA registration to be an OA member. Do I need to pay OA dues? The answer is YES. If you were inducted into the OA prior to the September 2011 weekend, your dues will expire and needs to be renewed with payment.

More information and a payment form will be included in the next newsletter edition.

Lodge Chief's Bonnet

My Brothers,

The Fall Conclave is coming up on September 9th-11th and I am expecting a great turnout of candidates and members. The LEC is working hard on trying to improve weekend activities, camping promotions, and your Order of the Arrow experience. We want everyone to have a great experience when they come to our weekends.

There are two huge events coming up in the next year that I encourage everybody to go to. On November 4th-6th, the National Leadership Seminar will be coming to Haines City. This is the first time in five years that a NLS is going to be in Florida, so everyone should have an interest in going while it is here. Contact Mr. Ken Knaebel if you are interested in going. Also in about a year, the National Order of the Arrow Conference will be taking place at Michigan State University. We have lots of exciting plans for it, but we need your ideas for the patch and what we should do before NOAC. Contact me if you have any ideas.

If you have any questions, feel free to email me or message me on Facebook.

Lodge Adviser's Corner

Brothers,

You may have heard that on July 13, 2011 the Council Executive Board voted to reorganize into 3 districts. Similarly, Timuquan Lodge will be evaluating reorganizing once the council has determined the borders of the districts. The Lodge Executive Committee will be determining what they expect of

a chapter and if the lodge has enough available manpower to accomplish those goals.

Membership in Timuquan has remained stagnant. The lodge membership is currently less than last year. A growth of membership is a requirement for the Quality Lodge recognition. I encourage you to recruit those members of your troop or crew that may have let their membership lapse. We only have one Ordeal left to induct new members. That means finding those who have lapsed dues becomes even more important.

The Lodge Chief and Lodge Executive Committee have set quality goals and high expectations for the 2011-12 year. The camp promotions efforts have been outstanding so far. However, they have a lot of work to do to resurrect a program that has been absent for the last few years. If the West Central Florida Council troops don't attend a long-term camp, they will be unable to hold an election for the Order of the Arrow.

This summer the Order of the Arrow held two National events: Summit Corps and Indian Summer. While no one from Timuquan attended the Summit Corps project, we did have a small group attend Indian Summer. Hopefully they will use their training and enthusiasm to help us build the ceremonies and inductions programs. Three brothers participated in the Philmont Trail Crew this summer. One brother also staffed Summit Corps and another served on Northern Tier staff as a foreman. The Order of the Arrow has many opportunities for you to have fun, get trained and experience the best that Boy Scouting can offer. Two excellent opportunities are in the near future: National Leadership Seminars (NLS) and the 2012 National Order of the Arrow Conference (NOAC). NLS will be held in Haines City the weekend on November 4-6. Cost is \$175 with the opportunity for youth members to receive a 50% scholarship from the lodge. NLS is open to adults. NLS training is equally as intensive as Wood Badge training. NOAC plans are being made. The lodge is taking \$50 deposits to reserve your spot. Total cost for the trip will be available soon.

Yours in Service,
Ken Knaebel

New Leaders Attend Lodge Leadership Development Conference (LLDC)

Mrs. Alice M. Cliff, Associate Lodge Adviser for Administration

The leaders that were elected at the March weekend and their appointed advisers attended LLDC on May 20-21, 2011. The youth and adults arrived at Sand Hill Scout Reservation on Friday evening.

After registering and getting cabin assignments, the first session was "Understanding Your Job and Responsibilities" presented by Mrs. Alice M. Cliff. After the class, the LEC members were assembled into teams and played a newly created board game called "LEC Challenge" based on the information that was just presented. After crackerbarrel, Lodge Chief Jakob Fritz and Lodge Adviser Ken Knaebel worked us through our lodge goals for 2011-2012.

Saturday morning continued with Section Adviser Mackie Zewalk joining us. Mr. Matt Dodge led the group with the "Importance of Inductions", Mr. Ed Ronshausen presented "Lodge Budget", and Mr. Ken Knaebel led a session on "Camp Promotions". Many ideas were pulled from the discussion groups on ways to improve our current process.

After lunch and a game period, the next class was "Newsletter and Communications" with Mr. Ken Knaebel leading us into forward thinking in our articles and ways to communicate with our members. The session on "Backdating Calendar" was led by Staff Adviser Mr. Baringer. The tasks were placed into a spreadsheet so the LEC can keep track of when major items need to be accomplished to be ready for a weekend. The day concluded with "Running an Effective Meeting" by Mr. Ken Knaebel.

Thank you to all of the presenters for putting your syllabus together and presenting to the group. Thank you to the participants for your attendance and participation. Together Everyone Achieves More.

THE PURPOSE OF THE ORDER OF THE ARROW

As Scouting's National Honor Society, our purpose is to:

- *Recognize those who best exemplify the Scout Oath and Law in their daily lives and through that recognition cause others to conduct themselves in a way that warrants similar recognition.*
- *Promote camping, responsible outdoor adventure, and environmental stewardship as essential components of every Scout's experience, in the unit, year-round, and in summer camp.*
- *Develop leaders with the willingness, character, spirit and ability to advance the activities of their units, our Brotherhood, Scouting, and ultimately our nation.*
- *Crystallize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others.*
