

Opening

Nathan Calzat leads us in the obligation

Officer Reports

VCO- Everything he has is on the agenda, except: The last conclave had a new food service adviser. He is looking for any youth who are wanting to help in the kitchen; not just dishes but actual cooking as well.

VCM- 2 chapter ordeals last weekend. Both ordeals went pretty well: 21 ordeal and 4 brotherhood at Pethakhuwe. Abacoochee had similar numbers. Last ordeals as VCM

Secretary- Taking diligent notes as always. Working on the next bulletin as always. Three articles have been written already, working on more next week. All pressing matters from the last LEC are already being discussed in the agenda.

Treasurer- Lodge currently has \$50,764 in the bank as of Jan. 31. Biggest expenditure was NOAC patches and food for Winter Conclave.

Chapter Reports

Abiaca- Ordeal last weekend had 16/16 candidates check in and complete. Despite a 911 call everyone made it out alive. (911 call was not us). Abiaca is already experiencing youth membership growth in 2022, and we are less than two months in. What a flex.

Calusa- 2 outstanding events since last LEC. Chapter minigolf had 17 members show up. Graced by the presence of Mark and Carson, but not Ryan :(On the third of Feb, first in-person chapter meeting since COVID which also had a pizza party. 24 members showed up. Working on chapter service day, which will take place between Spring Fellowship and Section conference.

Osceola- Working to increase fellowship attendance, and doing elections before the current lodge year ends. Preparing for chapter vs chapter games by playing sports and trivia games at meetings.

NT- Planning a service weekend at camp brorein for Feb. 27. No exact activities, but working on them. Another fellowship event will be held based on input from chapter members. 4 elections scheduled, and new members will be helping out with these.

Pethakhuwe- Held chapter conclave last weekend. 43 people showed up, and chapter elections were held. Alex T. was elected chapter chief, and two vice chiefs were elected.

Committee Reports

Brotherhood- Working on brotherhood email since brotherhood at Spring will be Friday night. Will send out information the week of, probably after registration closes on that Monday.

Kings Cup- Working on setup for the display; adjusting based on current lodge theme.

Old Business

Dues & Retention- Making big push for people to pay dues. Goal for lodge retention rate is 66%, we are currently at 44%. Last year we achieved 52% so we are close to that.

NOAC- 51 people are registered for NOAC so far. Setting up a ZOOM meeting for those registered to discuss information in more detail. Registration is still open.

Section Conference- Organizing transportation due to the distance of section conference. Signup google form for adults to drive youth in carpools. Adults driving can choose time and place for pickup. Goal is 75 in attendance, we currently have 11 registered. Shirt design is almost finalized.

Upcoming Events

Spring Fellowship- Quest for the Golden Hoof is now the name of Chapter vs chapter games. Separate from best chapter award, which is still the bronze bull. Council and OA trivia, kickball, ultimate, and karaoke can be expected. All youth should bring their best 70s outfit since that is the theme. Bring as many people as possible. Attendance goal is 190. If that is met, Ryan will be given a really hot hot sauce to humiliate himself. Somebody suggests doing a scoutmaster sinkathon.

Elections- Happening at Spring fellowship. Lodge Chief, VCs, Secretary, Treasurer, Historian, and Remaining chapters will be having elections. Deadline to talk to the lodge adviser (via email) is by the Thursday before Spring Fellowship. Information is on the lodge website, under resources.

Banquet- Pinellas county sheriff's office Largo which has been lent to us for free. May 7th. We need some kind of trophy for the new chapter competitions. We need an awards budget to determine what we can do for the trophies. In the long one, getting a trophy that we add a small plaque to every year would be more cost effective. A large an obnoxious trophy is key. Still looking into catering options

Additional Business

SLS- We are hosting. Committee had its first meeting yesterday. Trying to make it as fun as possible. If you are interested in doing anything on the committee, tell Ryan. He is the event chair.

Open Floor

Nothing actually serious is suggested.

Adviser's Minute

If you want to run for a lodge position, email Mr. Renker ASAP. Remember your youth protection training, especially 18-21 year olds.

Closing

Carson leads us in the closing song. He's got PIPES
