

Opening

Henry leads us in the obligation

Officer Reports

Vice Chief of Operations- Stuff will be covered later in the meeting

Vice Chief of Membership- Thanks for electing me section chief

Secretary- Writing articles for the next lodge newsletter. Going to have the bulletin display updated for our next committee fair at bull weekend. Working with Drew on putting photos on the lodge website.

Treasurer- Small lodge box will be available at banquet

Historian- We won King's Cup

Chapter Reports

Abiaca- Had a blast (from the past) at Section Conference. Hoping for better attendance at Bull Weekend. Membership is still thriving for the year.

Calusa- At Section Conference, had an 'outstanding' fifteen members. Last chapter meeting the new officers gave three points for improvement. What were they? We are not informed.

NT- Meeting attendance has tripled since returning to in-person. Going to have a fellowship event soon.

Osceola- Minigolf night on May 11th.

Pethakhuwe- 7 youth attendees at Section Conference. Chapter meeting has been moved to this coming Sunday, the 24th. Chapter has been asked to prepare lunches at merit badge academy. Would like to make it a chapter fundraiser, would also get leftover food items to be used at Bull Weekend. On same day as the banquet but in the morning. Clarification that the lodge did make money from each participant, but since the chapter is organizing the volunteering it wants to get the funds. Motion passes to have the fundraising go to Pethakhuwe chapter.

Chairman Reports

Brotherhood- New chairman and another remember of the committee have been trained for the upcoming term

Old Business

Section Conference Recap- Attendance was 59 from the lodge, which was good considering the long drive. We were dominant throughout the weekend in the various games and competitions. On the podium in nearly everything, won best all-around for the first time. Ceremonies did amazing. Swept the weekend, very excited about all that. We also have the section chief from our lodge, which shows our growing reach and prestige.

Lodge Banquet- Pinellas County Sheriff's Office in Largo, off Ulmerton road.. Doors open at 6:00pm, banquet starts at 6:30 and ends at about 8:30-9:00. Trying to make it more youth-oriented. Advertise to youth members, going to be a great time. If we hit the registration cap of 120, we can go a bit higher. Currently at 65. No hard-set goal. Futuristic themed. Please invite guests. Promotional emails about banquet and bull weekend will be sent out soon. Menu is roast pork loin, mac & cheese, peas, and salad. Dinner is a surprise.

Upcoming Events

Banquet, Bull Weekend, NOAC. Two or three spots left we can fill for NOAC.

Planbook for SLS was approved. Snazzy logo that looks like an eye.

Additional Business

Bull Weekend service projects will include moving canvas and cots, assembling canvas tents, painting, pressure washing, preparing for erosion, etc. More information will be sent through email in the coming weeks. Event itself will be Northwest themed; the games will be done accordingly. The menu for this event will be the SLS menu, which we will be trying out to make sure it works. Chapter Chief Training will happen at Bull Weekend.

Committee Fair- Next one is at Bull Weekend. Chairmen should be ready for that, have a display for the committee fair. Ryan has four boards that got put in his car, will contact the chairs that he has their boards to they don't need to make any.

Committees- Looking for chairs in various committees, anyone interested should email the chapter chief telling why they are interested and qualified.

Chapter Reminds- going to implement remind messaging for all the chapters so that youth members will be able to easily receive information. Ryan will get with the chapter chiefs to transfer ownership.

Open Floor

LLD- Possibly second and third weekends of August. Not sure if it will be at flaming arrow, depends on camp availability.

Adviser's Minute

Most welcomed two-word sentence is 'thank you'. Try and say it every day to the people closest to you. Have lots of manners. Good job at section conference.

Closing

Ryan leads us in the closing song
